\*This offer is valid only in the United States. Patient must be prescribed ASCENIV by a licensed prescriber. As a condition precedent of the cost share support provided under this Program, e.g., copay or coinsurance amounts paid to administering providers, participating patients and administering providers are obligated to inform insurance companies and third-party payers of any benefits they receive and the value of this Program, as required by contract or otherwise. Patient/Guardian may not seek reimbursement for value received from the Cost Share Program from any third-party payers, including flexible spending accounts or healthcare savings accounts. Void where prohibited by law, taxed, or restricted. Additional terms and conditions may apply.
